EDUCATION

B.Tech in Computer Science & Engineering

MIT World Peace University
Pune, India

2022 - Present

Higher Secondary Education

Bright Riders School,
Abu Dhabi, U.A.E

2021 - 2022

Senior Secondary Education

Bright Riders School,
Abu Dhabi, U.A.E

2019 - 2020

TECHNICAL SKILLS

- Python
- Java
- MongoDB
- Postman
- MySQL
- Node.js
- React
- Git
- RestAPI
- SpringBoot

LANGUAGE

- English
- Hindi
- Marathi

EXPERIENCE

Dataset Classification Using Machine Learning

Finlatics

- Built predictive models (regression, decision trees, K-means) with up to 92% accuracy
- Processed and visualized 45k+ rows using pandas, NumPy, Matplotlib, Seaborn, and scikit-learn.
- Created dashboards and reports that cut decision-making time by 30% in simulations.

Keywords: Machine Learning, Dataset Classification, and Data Science

PROJECTS

PHAMS - Hospital Appointment Management

JavaFX, Java Springboot, H2 Database (MySQL)

- Engineered a full-stack hospital appointment system used by 3+ user roles (patients, doctors, admins) with a JavaFX frontend and Spring Boot backend.
- Implemented secure, role-based login and integrated 10+ RESTful APIs for appointments, billing, and prescriptions.

Keywords: Hospital Management, JavaFX, Spring Boot, REST API, MySQL, Authentication

AttendEase - Automated Attendance System

React(Vite), Node.js, Tailwind, Appwrite(Real-Time Database)

- Tracked real-time attendance for 50+ students using Appwrite's real-time database.
- Visualized daily attendance data and calculated average attendance (84%) via dynamic charts.

Keywords: Attendance System, React, Tailwind CSS, Appwrite, Real Time Database, Excel

TransitFlow - Bus Management System

HTML, CSS, Python, Flask, MySQL

- Built a bus reservation system supporting 100+ users with real-time seat availability and secure login.
- Handled 200+ simulated bookings with dynamic storage and route tracking via MySQL backend.

Keywords: Bus Reservation, Flask, Python, HTML/CSS, MySQL, User Authentication

CERTIFICATIONS

- AWS Certified Cloud Practitioner - Udemy
- Certificate of Nomination - Smart India Hackathon 2024
Empowering Education Through Accessibility in Remote and Rural Regions
- Certificate of Paper Acceptance & Presentation - IEEE ASIANCON Conference 2025
